

GRADE REPORTS

Grade reports are processed in December, March and June. Report cards will be mailed home approximately two weeks after grades close.

If a student fails a 1st trimester, 2nd trimester, or a yearlong course, no weighted credit will be given. End of year grade reports will be withheld until reimbursement is made for non-returned or damaged school property.

INTERIM PROGRESS REPORTS

Interim Progress Reports are sent home to the parents during the sixth week of each ranking period. The purpose of the Interim Progress Reports is to inform the parent and the student when the student is in danger of failing or is failing a subject. We encourage students and parents to discuss the student's progress with his/her teachers.

FINAL EXAMINATIONS

Erskine Academy institutes a formal program of final examinations for all year-long credited courses, with the exception of Advanced Placement courses. The purpose of the exam program is to hold students accountable for maintaining a compilation of work and knowledge; to measure and report student attainment of important learning standards; and prepare students for future high stakes exam situations. Two exam schedules will be administered (one for seniors, one for underclassmen), with exams occurring in a regular 80-minute block. Final exam scores shall constitute 15% of a student's course grade.

SENIOR PRIVILEGES

Erskine Academy has designed a Senior Privilege Policy that will allow all seniors who do not have a scheduled Period D or H class to leave school after the end of Period C or G at 12:35 p.m. This privilege may be used on only a blue or a white day, not both. The purpose of this is to reward seniors whose behavior is in accordance with school rules and academic standing and whose leadership is a positive influence on the underclassmen. Further, it is to give students who have responsibilities such as part-time jobs the ability to meet various job requirements and to take advantage of work opportunities.

Guidelines for the Senior Privilege Program:

1. Seniors must be passing all subjects with a minimum average of 70 at the end of each progress and ranking period. Grades are reviewed and privileges will either be suspended or restored on the Monday following the issuance of progress reports or rank cards.
2. Seniors determined to be incomplete in their work at the reporting period will lose privileges for one week, during which time work is to be completed. Work that has not been completed in the one-week period will result in the loss of privileges for the remainder of the progress or ranking period.
3. Seniors who have violated the school discipline policy by engaging in conduct resulting in the issuance of multiple Saturday detentions or suspension will have their privileges revoked for one month.
