

ERSKINE ACADEMY **ALL SPORTS BOOSTERS** INFORMATION CARD

Athlete's Name _____ Sport _____

Check One: Varsity_____, JV_____, Fr _____

Parent/Guardian Name(s) _____

Mailing Address _____ Email _____

Telephone Numbers: _____

In order to provide appropriate support for ALL Erskine Academy Athletics, *volunteer help is essential*. As a parent of an athlete, Erskine Academy All Sports Boosters will be asking you to volunteer for some of the following activities: Concessions, Clothing sales, Sports Award nights, Senior games, Homecoming (during the fall season only), Eagle Open Golf Tournament (during the fall season only). A team representative will be contacting you with the dates and times that your athlete's team needs to cover.

Are you willing to serve as a team representative for your son or daughter's team? This responsibility involves serving as a contact person with other parents of players on that team..... YES NO . (Please see the bottom of this notice for more information)

DETACH AND RETURN TOP PORTION

Thank you for considering to be the team representative for your athlete's sports team. Your role in the success of this season is very important to Erskine Academy All Sports Boosters and our programs.

As a team rep, you will be responsible for scheduling two adult parents from your athlete's team in each time slot for concessions (a concession schedule will be provided for you) If you know of a student who could fill in the third slot, we will gladly sign their community service forms.

Your role is to fill ALL time slots for your games and be responsible to ensure that the volunteers are there to cover their times. We have found that a reminder email or text is very helpful, we are all busy and a quick reminder can alleviate a lot of stress at game time. You can hang onto your sign up forms so that you have the contact information needed to reach your volunteers.

Thanks again for your help and we wish the best of luck to your team this season!!!
