NOTE: CALENDAR IS SUBJECT TO CHANGE

Among these, we are continuing to work with federal, state, and local health and government officials and agencies on a framework for the responsible reopening of school. We will be developing safety protocols for in-school instruction (physical distancing, sanitation stations, mask wearing, etc.), a fully functioning remote learning program, and a hybrid of in-school and remote learning to be implemented as circumstances require. In mid-August, we will communicate to our students and families our refined plans that have been evaluated in light of the circumstances and federal and state guidance provided at that time. Planning, flexibility, and cooperation, as well as an emphasis on health and safety, are the foundation of our reopening plan.
