

The Rodney C. Harmon Memorial Scholarship

2022 APPLICATION

HISTORY

The *Ice Storm of '98* was a costly affair, but never so costly as on November 15, 1998, when it claimed the life of Rodney Harmon, of Oakland. Rod died of injuries he sustained while helping his son, Scott, clear storm-damaged trees near Scott's home in Fayette.

Rod Harmon was a very good man. Whether you called him father, husband, son or friend, Rod touched our lives with his quiet strength of character and unwavering kindness. By his actions, we learned how one individual could make a real difference in the lives of many. He was the ultimate volunteer, never waiting to be asked and never accepting credit for his effort. Through his example, he challenged us to be better: a better spouse, a better parent, or a better friend.

Rod's life ended in much the same way that it had been lived: quietly, peacefully, but with an enormous impact on his family, his friends, and his community. Through this scholarship, his family and friends hope to continue his good work and to inspire others to serve, like Rod did, whenever and wherever possible.

Rod Harmon was a VERY good man; and fortunately for us, he was our friend.
